

See well. Stay healthy.

Get the most out of life with Vision Service Plan®.

You'll get quality care that focuses on your eyes and overall wellness through a WellVision Exam® from a VSP doctor. They'll look for vision problems and signs of other health conditions.

When you see a VSP doctor, you'll get the most out of your benefit and have lower out-of-pocket costs. Plus, you'll be 100% happy with your eyecare and eyewear from a VSP doctor, or we'll make it right.

With open access to see any eyecare provider, you can see the one who's right for you—a VSP doctor or any other provider.

Using your VSP benefit is easy.

- **Find the right eyecare provider for you.** Choose a VSP doctor or any other provider. To find a VSP doctor, visit vsp.com or call **800.877.7195**.
- **Review your benefit information.** Visit vsp.com to review your plan coverage before your appointment.
- **At your appointment tell them you have VSP.** There's no ID card necessary.

That's it! We'll handle the rest—there are no claim forms to complete when you see a VSP doctor.

Keep your eyes healthy and
your vision clear with VSP.
